The above plan creator(s) have agreed that others may use as much of the text of this plan as they would like in their own plans, and customize it as necessary. You do not need to credit the creator(s) as the source of the language used, but using any of the plan's text does not imply that the creator(s) endorse, or have any relationship to, your project or proposal

educational purposes

data collection

How will the data be collected or created?

What documentation and metadata will accompany the data?

How will you manage any ethical issues?

How will you manage copyright and Intellectual Property Rights (IP/IPR) issues?

How will the data be stored and backed up during the research

How will you manage access and security?

Which data are of long-term value and should be retained, shared, and/or preserved?

What is the long-term preservation plan for the dataset?

How will you share the data?

Are any restrictions on data sharing required?

Who will be responsible for data management?

What resources will you require to deliver your plan?
